

Dear colleagues,

We would like to invite your faculty/students team to participate in the third Annual Gulf States Math Alliance conference, to be held on the campus of the University of Texas at Arlington, February 15-17, 2019.

Each faculty/students team is expected to travel together to the conference as a team. Students, who are junior or senior math majors, should be given the priority for attendance as the conference is more relevant to them. Occasionally, math majors who are sophomores with a potential and strong interest in a doctoral program could be allowed to participate. Community college students who plan to pursue Math majors are also welcome.

The suggested travel timeline is:

- Friday, February 15: Arrival and conference check in
- Saturday, February 16: The conference program, the entire day
- Sunday, February 17: Faculty mentor planning meeting and departure

On February 15 you can directly drive to the conference hotel, where there will be a reception during 3pm-6 pm. On Saturday the conference will take place on the campus of the University of Texas at Arlington. On February 17 a departure from the hotel after 9 am will allow you to attend the faculty mentor planning meeting at the hotel.

A conference registration fee of \$150 is required from each participant. The fee covers meals (Saturday lunch/banquet dinner) and coffee provided during the conference.

The website for registration is at <http://www.uta.edu/math/events/gsmath/>

More information will be available at <https://www.math.uh.edu/gsmath> or <https://fermat.uta.edu/gsmath>

Deadlines:

Please register for the conference by **Monday January 21, 2019**. The registration form is above.

A very limited amount of travel support will be available for select faculty/students team, please send your travel fund application form to Dr. Theresa Martines, email: tmartines@stmarytx.edu as soon as possible and before January 8, 2019. The priority will be given to Gulf States Math Alliance schools. Decision will be made by January 15.

We look forward to seeing you in the conference!

Jianzhong Su
